INFORMATION DISCLOSURE STATEMENT (37 C.F.R. § 1.97(b))

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

With regard to the above-identified application, the items of information listed on the enclosed Form 1449 are brought to the attention of the Examiner.

This statement should be considered because it is submitted within three months of the filing date of the above-identified application, which is not an application under 37 C.F.R. § 1.53(d). Accordingly, no fee is due for consideration of the items listed on the enclosed Form 1449.

Because this application was filed after June 30, 2003, copies have been provided only for the foreign patent documents or "Other documents" listed on the enclosed Form 1449 that have not previously been cited by or submitted to the U.S. Patent and Trademark Office in parent application, U.S. Serial No. 10/212,916 filed on August 5, 2002.

This application is a continuation of U.S. Serial No. 10/212,916, now U.S. Patent No. 6,659,852 ("852 Patent"). The '852 Patent was involved in litigation between Full Circle International, Inc., ("Full Circle") and the inventors of the present application (Brad R. Wettstein, James Hassler, and Steve Dodds). In that litigation, Civil File No. 04-2710 ADM/AJB filed on May 17, 2004 in the District of Minnesota, Full Circle sought judgment that the '852 Patent was

not infringed by Full Circle. The Court dismissed the lawsuit for lack of jurisdiction with respect to Brad R. Wettstein and James Hassler. Full Circle decided not to pursue the case with respect to Steve Dodds.

In keeping with Applicants' duty of disclosure under 37 C.F.R. § 1.56(a) and further in view of MPEP 2001.06(c) regarding information from related litigation, Applicants include on the accompanying Form 1449 the relevant pleadings from this litigation. If, after review of the submitted information relating to the above-identified litigation, the Examiner requires additional information relating to the information disclosed during the litigation, Applicants will diligently attempt to provide the Examiner with all such information that is at Applicants' disposal.

No representation is made that a reference is "prior art" within the meaning of 35 U.S.C. §§ 102 and 103 and Applicants reserve the right, pursuant to 37 C.F.R. § 1.131 or otherwise, to establish that the reference(s) are not "prior art." Moreover, Applicants do not represent that a reference has been thoroughly reviewed or that any relevance of any portion of a reference is intended.

Consideration of the items listed is respectfully requested. Pursuant to the provisions of M.P.E.P. 609, it is requested that the Examiner return a copy of the attached Form 1449, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Please charge any additional fees or credit any overpayment to Deposit Account No. 13-2725.

Respectfully submitted,
MERCHANT & GOULD P.C.
